STATED MEETING THIRD TUESDAY EACH  
MONTH

10/7/2019

**FROM THE WORSHIPFUL MASTER:**

*When I was still a Command Sergeant Major (CSM) I was often asked for my definition of duty. I would tell them: "duty is doing the right thing even when no one was looking." Duty is a moral commitment to something or someone. Every organization you join has an oath, a vow or an obligation that we subscribe to; which describes the duties to be performed. We as Officers of the Lodge are bound by our obligation to God and to all mankind. Performing your duty is basically doing the right thing. By doing this you set a high standard and hopefully inspire your other officers and members to do the same. The membership watches their leader to see what he does. So, let's set the example by which others will gladly follow. Do the right thing even when no one is watching.*

## FROM THE SENIOR WARDEN:

*October is here. 64 degrees this AM...what a change! Fall is in the air and we have many things to accomplish. Masonic Family Day is this weekend. Merriment and socializing this Friday evening at the Beautiful Texas Masonic Retirement Center as many lodge smoking teams make their ribs and prepare their briskets. What a great evening that always is. Then, Saturday, the 12<sup>th</sup>, be sure to come out and enjoy the day, and if you can, help with the Webb #1454 booth, selling T-shirts, Caps, and our 'Drawing' lodge fundraiser tickets for the custom designed metal bench. All hands on deck... 😊 We need your participation for us to be successful.*

*This Masonic year is well into its schedule, and there are so many fun things upcoming. Preparation for our first "Trunk or Treat" at the lodge on Halloween, October 31<sup>st</sup> from 6-8 pm. We are identified on the Arlington ISD website for parents and kids of the community to have another 'safe' place to come. We need some lodge members with 'Trunks' of candy, possibly also in costume, to make a good showing in our community. Thanksgiving is just around the corner, then Christmas, a celebration of Christ's birth. Then preparations for Grand Lodge in the coming New Year.*

*It takes a village, someone once said. We are that village of light for those around us. The more we do in the public eye, with a positive exposure, the more attractive we are, and in essence there is less misinformation about who we are and what we do in the public view. Each of us is important in that role as Masons in our community. Please do not take that lightly!*

## FROM THE SECRETARY'S DESK:

To My Webb Lodge Brothers,

We as Masons go by several titles – Brother, Noble, Sir Knight, Companion, Illustrious, Right Worshipful, Most Worshipful, TIM, etc. – more titles than I can remember, but the BEST title I have heard and all I want to called is FRIEND. Each of us have taken an oath to help support a Brother to the best we can – is that just not a friendly, Godly thing to do?? If any Brothers knows of a Masonic Brother in need – please contact this Lodge.

This month is another busy month for each lodge and body – dues notices. I tried to pay my electric bill with a smile, but they still wanted money. Each lodge and body needs funds to function and remain a valued part of our lives. Please make sure you live up to your obligation and support your lodge and bodies.

TMRC is very active with the Family Day in full swing – hundreds of Brothers and Sisters, kids, spouses – every part of families will be there. Your Webb Lodge is be there cooking on Friday night and manning our Booth during Saturday October 12th. Please make plans to attend, buy some food, buy some tickets for items, buy some Christmas gifts, more importantly come for the fellowship!
